Happy December Harmony Families!

Our students are so excited to go out and play in the beautiful snow however they need to be dressed appropriately to take advantage of this time of year. Please ensure they have their winter clothing and extras(mitts, hats, socks) so they can enjoy their time outside.

Classroom News

This Fall saw **Kindergarten** exploring all about Halloween. We created black cats, scary Jack-o-lanterns, skeletons, and Scarecrows, but the high light of all our efforts was making personal 3D masks. We worked hard on colouring, folding, and decorating with stickers and glitter. As you can see, the results were spectacular. We also took the time to show respect for our veterans by learning what this special day is all about and then creating beautiful poppies. We've had a very busy and productive Fall and are ready to face the challenges that winter brings. Bring it on!

While **grade 1** worked on the rainbow fish, the **grade 2** students prepared a yummy vegetable soup and apple sauce.

There is also a friendly classroom door competition going on and Mr. Marc our caretaker is handing out awards to the cleanest classrooms with the help from the students on **student council**.
