CHARACTER PILLAR THEME: CARING

In the
Spotlight

Teacher & Staff Appreciation Week/ February 8-12

While we appreciate our teachers and staff every day of the year, there is a week in February when we celebrate their dedication to their profession and to the students whose lives they touch each and every day. We would like to say thank you to our teachers and staff!

Important Request

It is very important to notify Harmony School when your child is absent from school due to illness, appointments, etc...

You can either leave a message on the school voice mail before 7:30 a.m. or email our school secretary .

MEMORY BOOSTERS

If there is a question you do not understand, try reading it aloud. Think calmly about its meaning. Do not give up.

Sometimes your brain can think better when it hears rather than sees the question.

Message from Governing Board

We are at the tail-end of our second semester and will soon be starting the final semester of the school year. This is a very important time in our kids' education !

We realize everyone is tired at this time of year, but we would like to remind parents that we all have a very important role to play in our children's education. Kids are encouraged and motivated when their parents take an interest and participate in their education.

Setting aside a little time each weeknight and on weekends to sit with and help your kids with their

homework can have an enormous impact on them and their ongoing education.

We hope everyone can make the time !

Thank you all so much for your continued efforts and participation !

Professional Days

Feb.8th and Feb. 19th

No school for students, daycare open

MONTH AT A GLANCE

Meetings

Governing Board Meeting
Wednesday, February 10th
at 6:30

PPO every first Monday of

for grades 4-5-6

Next Month

Parent-Teacher Interviews

March 10th pm

March 11th am

Make up phrases or sentences using the first letter of words you are trying to memorize.

For example, the order of operations for solving math problems without parentheses is multiplication, division, addition, subtraction. Remember this by using the phrase, "My Dear Aunt Sally."
