Overcrowding at

Harmony

In early 2016 the school board with the council of commissioners determined that two schools in Chateauguy were overcrowded and this situation needed to be addressed.

On November 9th at 6:30 we will be having a special governing board meeting at Harmony School to discuss the various scenarios out for consultation.

The Cold Weather is Here

The cold weather is quickly approaching and we would like to remind parents that children should be dressed accordingly. Students must have a pair of shoes in their lockers once we get our first snowfall because they will not be permitted to enter the classroom with their boots. Students should also have an extra pair of socks in their lockers.

Library Volunteers

I also want to thank all parent volunteers who take the time every week to organize our library books and help sign out books for every child at Harmony!
