Grade 5- School Supply List for the 2020-2021 School Year

List of items to purchase at the store of your choosing. We encourage you to reuse what is still good from the previous school year. Please ensure to label the items with your child's name. Note that you may be asked to replace some items during the school year, as needed. Students are expected to come to school with all school supplies, the first day of school.

Student Supervision Fee for the 2019-2020 school year is \$120.00 per student. Students attending regular (3-5) days/week daycare for the entire school year are exempt from paying student supervision fees. If your child is confirmed as registered and attending regular daycare from their first day of school until the last day of school and this charge appears, please see the school administration.

Indoor Running Shoes: It is safer for your child to use cross trainer type shoes instead of the "skater shoes-flat soles and wide laces" which tend to slip off feet easily and are more difficult to run in.

We are looking forward to working with your child next year. Have a great summer!

Welcome Back Day will take place on August 31, 2020
